

## **Varon Cantrell, MD**

### **Chief Medical Information Officer**

Dr. Varon Cantrell became HealthNet's Chief Medical Information Officer in 2021. In this role he leads and supports HealthNet's Information Systems, EMR, Data Analytics and Quality teams, including population health management and data security.

Prior to this role, Dr. Cantrell served as HealthNet's Associate Medical Director for two years, providing clinical leadership for more than 120 Physicians, Advanced Practice Nurses, Therapists, Dentists and other Providers at HealthNet.

Dr. Cantrell joined HealthNet in 2010 as a Primary Care Provider at Southwest Health & Dental Center. He provided physician leadership for the opening of HealthNet West Health Center in 2012 and oversaw its dramatic growth, adding services and Providers. Dr. Cantrell became HealthNet's first Primary Care Service Line Physician Leader in 2017, and continues to lead initiatives focused on improving patient access while delivering high quality, efficient care. He served as Provider Co-Leader at West Health Center until becoming Associate Medical Director in 2019 and continues to see patients there.

Dr. Cantrell earned his bachelor's degree biology and chemistry from Saint Joseph's College in Rensselaer, IN and his medical degree is from the Indiana University School of Medicine in Indianapolis, IN. He completed an Internal Medicine/Pediatrics Residency at the University of Cincinnati Department of Internal Medicine Veterans Affairs Hospital, serving as Chief Medical Resident. He is Board Certified in Internal Medicine and Pediatrics.

Dr. Cantrell has served as a Preceptor for Indiana University School of Medicine's Department of Internal Medicine and Pediatrics Residency Program since 2011. He is a member of the American College of Physicians, the American Academy of Pediatrics and the Association for Physicians in Leadership, and is very active in the Indianapolis community. Dr. Cantrell has been married for 19 years and has 5 children.
